

Indian Culture and Spiritual Four-Day Residential Camp

To save the ideals and resolutions of Lord Sri Sathya Sai Baba, there is a special event of the Indian Culture & Spiritual Camp which is held every year in college, in this year from 29th November to 2nd December 2018, in which 217 students & staff members participated.

The main purpose of the four-days camp based on Indian culture and spirituality is to make the students aware of the culture just as Lord Sri Sathya Sai Baba wanted women to be educated, on his ideals, Sri Sathya Sai College for women, Bhopal has organized a special 4 days camp for inculcate valued higher education. Former President of Sri Sathya Sai Seva Sangathan, Shri S.K. Sachdeva Ji narrated the life of Lord Baba and told many references related to it, through small incidents, the students were asked to integrate honesty, patience and life into the person. In the spiritual camp, some topics were narrated to the students keeping in mind the topics related to their body's nutrition, self-education and service & spirituality, so that the students can feel a sense of dedication and love in them.

Students were performed 2 dramas "Bhagawan Aaya" (God came) and short drama based on cleanliness. Keeping in mind the cleanliness, students took an oath for cleanliness and they cleaned their campus. The bhajans and music in spirituality gives spiritual peace to our mind, in this series, the students of the college, music teacher and Dr. Anita Awasthi along her family gave a very inspiring presentation, leaving the teachings of Baba with sweet music. The routine on the other days of the camp, which started from the morning with Nagar sankirtana and yoga. The principal of the college described the life of Lord Shree Sathya Sai Baba's mother Ishwaramma. All the students were very delight full to attend this four-day camp. On the last day, they presented their version in a very good way and said that they paid attention to the human values. The main purpose of this spiritual camp is going to try to promote various ways of human values smoothly among the students.

Culture is the hallmark of any country. Indian culture should remain strong and prosperous and spirituality should reflect the art of living. This four-day camp was happening every year and this camp focused on Indian culture and spirituality. Our students must have benefited from the lectures and various activities given by the speakers. They have been successful in participating in building a civilized society by understanding the practicality of spirituality in their lives. These students will have an important role in making India a world guru.
