

Dear students, parents & all well wishers –

Hearty welcome and greetings at the start of a fresh academic session. **Sri Sathya Sai College for Women**, Bhopal, has carved a niche in the minds and heart of people of Madhya Pradesh and other states of India. Our faculty and students have been successfully engaged in the all round development of individuals, family and society at large since last 45 plus years.

Our efforts have been acclaimed by various agencies over the years and **in 2015 NAAC has accredited our college with “A” grade in the second cycle of assessment and college was also granted Autonomous Status by UGC. The pass percentage of our college students in all the faculties like Arts, Science, Commerce, Education, Computer Science etc. has always been nearly 100% in the last 45 years. Moreover, nearly 80% of our students in the last 45 years have scored distinction, a first or good second division in the university exams. This kind of a repeat performance every year, continuously since 1975 A.D. speaks volumes about the ambience, quest for knowledge, commitment and perseverance of our college people and of course, the grace of Bhagwan Sri Sathya Sai Baba.**

College students have also excelled in extracurricular activities, sports and NCC, NSS training. Our college has best facilities available in sports. We have two basketball courts, one lawn tennis court, a volley ball court, kabaddi, Kho-kho ground and also table tennis, badminton court and a gymnasium.

Our college is the only college in Madhya Pradesh to receive FIST grant of Rs. One crore from the DST, Govt. of India in 2016 for modernizing science laboratories. Thus, our college is one of the 43 top grade colleges and universities in India considered fit to get FIST grant. Our college is connected through N-List Programme of **INFLIBNET**, thus students **get connected to 90,000 E-books, hundreds of research journals and magazines.** I feel proud to inform that our college has been one of the top ten users of INFLIBNET facility in India. We also have top grade hostel facility for 120 girls. **Our students get regularly placed in MNCs, Banks, Class Two Officers in State Govt. services and also in the Central Govt. services.**

We have started B.A. LL.B. (five year) integrated course and LL.B.(three year) course from the academic session 2016-17. The Barkatullah University and the Higher Education Dept. Govt. of M.P. have accorded the permission. The course is recognized by the Bar Council of India.

Last, but not the least, our college primarily focuses on the fruition of good motherly qualities of our students. **Bhagwan Sri Sathya Sai Baba Says “A good student + A good teacher = A good Nation”.** We humbly submit that our college fits in the equation described by Bhagwan Baba.

I exhort all of you to join our hands in the building of a good Nation.

Dr. (Smt.) Sudha Pathak

Principal
