### 1. MoU with Asar Green Kabadiwala

The Memorandum of Understanding (MoU) established with Asar Green Kabadi signifies a crucial partnership in addressing the pressing issue of e-waste collection and disposal. This collaboration aims to promote environmentally responsible practices by facilitating the proper handling and recycling of electronic waste materials.

Asar Green Kabadi's expertise in waste management coupled with our commitment to sustainability forms the foundation of this partnership. The MoU outlines a structured framework for the collection, transportation, and environmentally-friendly disposal of electronic waste materials including old computers, mobile phones and other electronic devices.

Through this collaboration, we seek to raise awareness about the hazards of improper e-waste disposal and encourage individuals to adopt responsible recycling practices. Asar Green Kabadi's established network and infrastructure ensure efficient and ethical handling of e-waste minimizing its harmful impact on the environment and public health\

## 2. MoU with Bhopal Birds Conservation Society

The Memorandum of Understanding (MoU) with the Bhopal Birds Conservation Society marks a pivotal collaboration aimed at promoting awareness and conservation efforts for avianspecies. This partnership underlines our shared commitment to safeguarding biodiversity and preserving vital ecosystems for future generations.

The MoU outlines a series of short-term activities focused on raising awareness and implementing conservation initiatives to protect bird populations and their habitats. These activities encompass educational programs and initiatives aimed at fostering a deeper understanding of the importance of birds in our ecosystem.

Through workshops, seminars, and awareness drives, we aim to empower individuals and communities with the knowledge and tools necessary to actively participate in bird conservation efforts.

By working closely with the Bhopal Birds Conservation Society, we strive to create meaningful impact in the field of avian conservation, ensuring that our feathered friends thrive in their natural habitats. Together, we envision a future where birds flourish, contributing to the overall health and biodiversity of our planet.

### 3. MoU with Sanchi Dugdh Sangh

The Memorandum of Understanding (MoU) with Sanchi Dugdh Sangh marks a significant partnership aimed at advancing research, study programs and expert knowledge exchange in the dairy industry. This collaboration shows our shared commitment to promoting innovation sustainability and excellence in dairy production and management.

The MoU outlines a multifaceted approach to collaboration, including joint research projects, study programs and expert talks. These initiatives will focus on enhancing dairy production practices, improving product quality and addressing challenges faced by the dairy industry.

Through collaborative research projects we aim to develop innovative solutions to optimize milk production, enhance animal welfare and reduce environmental impacts. Additionally, study programs will provide students and professionals with valuable hands-on experience and theoretical knowledge in dairy science and management.

Expert talks and knowledge exchange sessions will serve as platforms for industry leaders, researchers and practitioners to share insights, best practices, and emerging trends in the dairy sector.

Together, we aim to drive sustainable growth and prosperity in the dairy sector benefiting stakeholders, communities and the environment alike.

#### 4. MoU with Vindhya Herbs Testing and Research Laboratories

The Memorandum of Understanding (MoU) with Vindhya Herbs Testing and Research Laboratories is a strategic initiative aimed at fostering industrial exposure for students and promoting collaborative projects with a focus on interdisciplinary work. This partnership serves multiple purposes each contributing to the advancement of education and industry.

Firstly, the MoU facilitates industrial exposure opportunities for students, allowing them to gain practical insights into real-world applications of their academic learning. Through internships, industrial visits, and workshops organized by Vindhya Herbs Testing and Research Laboratories, students can acquire valuable skills, industry knowledge, and professional networks essential for their career development.

Secondly, the collaboration prioritizes interdisciplinary projects recognizing the importance of integrating diverse perspectives and expertise to address complex challenges. By encouraging collaboration across different fields of study, the MoU stimulates innovation and creativity, leading to the development of cutting-edge solutions with broader societal impacts.

Moreover, the partnership aims to realize collaborative projects between academic institutions and Vindhya Herbs Testing and Research Laboratories, fostering mutual learning, knowledge exchange, and technological advancements. These projects may span various domains, including pharmaceuticals, biotechnology, environmental science, and agriculture, leveraging the strengths and resources of both parties for impactful outcomes.

Overall, the MoU serves as a platform for enhancing educational experiences, promoting interdisciplinary collaboration, and driving innovation in partnership with Vindhya Herbs Testing and Research Laboratories. Together, we aim to empower students, advance research, and contribute to the growth and development of industries and communities.

5. MoU with Sarojini Naidu Government Girls PG College (Autonomous) in Bhopal

The Memorandum of Understanding (MoU) with Sarojini Naidu Government Girls PG College (Autonomous) in Bhopal represents a strategic alliance aimed at fostering interdisciplinary research endeavors. This collaboration marks a pivotal step towards leveraging the collective expertise and resources of academia to pursue innovative solutions.

The MoU facilitates a structured framework for interdisciplinary research initiatives enabling collaboration across various academic disciplines and departments within the college. By promoting cross-disciplinary exchange and collaboration the partnership seeks to break down traditional silos and stimulate synergistic interactions among researchers, faculty members and students.

Through joint research projects, workshops, seminars and knowledge-sharing sessions the MoU aims to create a dynamic ecosystem that fosters creativity, innovation, and problem-solving. By combining insights from multiple disciplines, researchers can gain new perspectives, uncover novel approaches, and drive meaningful advancements in diverse fields of study.

Moreover, the collaboration with Sarojini Naidu Government Girls PG College (Autonomous) underscores a shared commitment to promoting gender inclusivity and diversity in research. By empowering women researchers and providing them with opportunities to lead interdisciplinary research projects the MoU aims to foster a more inclusive and equitable research environment.

## 6. MoU with Environmental Planning & Coordination Organization (EPCO), Bhopal

The Memorandum of Understanding (MoU) with the Environmental Planning & Coordination Organization (EPCO), Bhopal is a significant collaboration aimed at driving sustainable development projects. This partnership underscores a shared commitment to environmental stewardship, social equity, and economic prosperity.

Through the MoU, we aim to leverage EPCO's expertise in environmental planning and coordination to implement sustainable development projects that promote resource efficiency, biodiversity conservation, and climate resilience. These projects may encompass various sectors such as renewable energy, waste management, water conservation, and urban planning.

The collaboration with EPCO enables us to tap into their extensive network, technical know-how, and best practices in sustainable development. By working together, we can identify priority areas for intervention, develop innovative solutions, and implement projects that deliver tangible benefits to communities and ecosystems.

Overall, the MoU with EPCO represents a strategic partnership dedicated to advancing sustainable development goals, fostering resilience, and safeguarding the environment for current and future generations.

Sub: Mentoring PGDEM 2021-22 students.

Dear Renu,

At the outset many thanks for accepting our request to mentor young students of PGDEM Batch 2021-22. EPCO Institute of Environmental Studies is conducting 10<sup>th</sup> Session of Post Graduate Diploma in Environment Management.

As per the decision taken in Academic Committee of PGDEM 2021-22 mentoring is an essential component of the course. It was decided that each student will be attached to a mentor. Also each mentor may be assigned a maximum of four mentees.

As a mentor you would be expected to guide the mentees attached with you on the related modules of the course curriculum during the academic period. Then may be schedule online sessions with mentees at their convenience. You may assign the mentees a case study or research assignment on any relevant topic. If possible mentors may also guide the students in their projects.

At the end of their association, mentors would be requested to send a brief evaluation report of the mentees. The evaluation report would be based on the sincerity, homework, learning and tasks performed by the mentees as directed by the mentor.

Given your long professional experience and deep understanding of the subject it is our pleasure to have you as mentor of PGDEM batch 2021-22. Students would benefit and add lot of knowledge and value with your insights. The details of students/mentees who have been attached with you is enclosed. While assigning the students we have tried our level best to match their qualification to suit your expertise.

Kindly also accept a token honorarium of Rs. 10,000/- for mentoring two students. I look forward to your positive response.

with kind regards,

Sincerely your's

  
(Lokendra Thakkar)  
Principal EIES

\*Invite for World Wetland Day

1st February 2023\*

As you are aware every year world wetland day is celebrated on 2nd February to commemorate Ramsar treaty and reaffirm our commitment to save these precious natural wetland ecosystems. 🏡

State Wetland Authority of MP is organising a self guided wetland walk on 1st Feb at 7.0 AM at Borvan, towards Bairagarh side of Bhoj Wetland. 🏡

Followed by this wetland walk we have an expert talk by Dr Manoj Mishra, eminent writer, renowned water expert and naturalist who would speak on

“Wetlands are not Wastelands - Need for restoration and conservation” on 1st Feb at 11.0 AM at EPCO Auditorium. 🏡

I take this pleasure to cordially invite you to join this interesting wetland walk and wetland talk. 🏡

Look forward to your active participation. Please contact

Dr Manoj Vishwakarma (98268 48144) Dr Dinesh Damde (9926343831) for wetland walk and Dr Shefali Dubey (75882 50097) and Dr Rashmi Verma (97207 63089) for any assistance regarding wetland Talk. ➤

Thanks 🏡

विषय- मध्यप्रदेश की राज्य युवा नीति पर व्यापक परामर्श हेतु आयोजित कार्यशाला के संबंध में।

—00—

मध्यप्रदेश शासन द्वारा प्रदेश में सशक्त युवाओं के निर्माण हेतु "राज्य युवा नीति" तैयार की जा रही है। उक्त नीति "युवा समागम" दिनांक 13 जनवरी 2023 के अवसर पर जारी की जाना प्रस्तावित है। युवा नीति का विजन है : "मध्यप्रदेश के युवाओं को सशक्त करना ताकि वह अपनी क्षमता का पूर्ण विकास कर सकें तथा राज्य के आर्थिक एवं सामाजिक विकास में प्रभावी योगदान कर सकें" (To empower the youth of Madhya Pradesh so that they can realise their potential and contribute effectively to the Social & Economic development of the State) तथा पर्यावरण से संबंधित उद्देश्य है, "पर्यावरण के प्रति उत्तरदायी" (Responsible Towards Environment).

राज्य युवा नीति के अंतर्गत उपरोक्त विजन एवं उद्देश्य पर केन्द्रित "पर्यावरण जागरूकता" के संबंध में पर्यावरण विभाग द्वारा एक परामर्श कार्यशाला दिनांक 23.12.2022 को प्रातः 9:30 बजे से एको सभागृह, पर्यावरण परिसर, ई-5, अरेरा कॉलोनी, भोपाल में आयोजित है। इस महत्वपूर्ण कार्यशाला में सहभागिता हेतु आपकी संस्था सादर आमंत्रित है।

कार्यशाला में भाग लेने हेतु कृपया आपकी संस्था से ऐसे 8-10 युवा विद्यार्थी एवं 1-2 प्राध्यापक (अधिकतम-10) को नामांकित करने का कष्ट करें, जो कि "पर्यावरण जागरूकता" के संबंध में रुचि एवं जानकारी रखते हों। अच्छा रहेगा यदि युवा नीति में सम्मिलित किये जाने हेतु आप अपने ठोस सुझाव साथ लेकर आयें। इस हेतु संलग्न प्रपत्र में अपने सुझाव साझा करने का भी अनुरोध है। आपकी संस्था के प्रतिनिधि के रूप में विद्यार्थियों/प्राध्यापक को इस कार्यशाला में अपने विचार रखने का अवसर दिया जायेगा।

पर्यावरण परामर्श कार्यशाला के संबंध में अन्य विवरण प्राप्त करने एवं नामांकित विद्यार्थियों/प्राध्यापकों की जानकारी ई-मेल [epco.institute@gmail.com](mailto:epco.institute@gmail.com) पर प्रेषित करने का कष्ट करें। इस हेतु डॉ. शोफाली दुबे पाठक, अकादमिक समन्वयक, मोबाईल - 7588250097, डॉ. रश्मि वर्मा, अकादमिक समन्वयक, मोबाईल - 9720763089, श्री गौरव श्रीवास्तव, कार्यालय सहायक, मोबाईल - 9131998276 भी सम्पर्क हेतु उपलब्ध हैं।

### MoU with Family Planning Association of India (FPAI), Bhopal

The Memorandum of Understanding (MoU) with the Family Planning Association of India (FPAI) signifies a pivotal collaboration aimed at spreading awareness among the masses about crucial health issues through a multifaceted approach. This partnership underlines our shared commitment to promoting reproductive health, family planning and overall well-being in communities across India.

Through the MoU we will organize health check-up camps, seminars, orientation programs, and counseling sessions to disseminate vital information and provide essential services to individuals and families. These initiatives will address a wide range of health topics, including reproductive health, maternal and child health.

The collaboration with FPAI enables us to leverage their expertise in reproductive health education and service delivery, ensuring that our initiatives are evidence-based and responsive to the needs of diverse populations. By working together we can reach marginalized communities, empower individuals with accurate information and resources and facilitate access to quality healthcare services.

Moreover, the MoU facilitates capacity building and training programs for healthcare providers, community workers, and volunteers, enhancing their skills and competencies in delivering comprehensive health services and support.

The MoU with FPAI represents a strategic partnership dedicated to advancing reproductive health rights, empowering communities, and improving health outcomes for all.

Date of MoU : 27-09-2021

Date: 24-07-2021
