

IQAC Activities for the session 2022-23

The IQAC plays a key role in planning, monitoring and evaluating the academic and co-academic activities of the college. The IQAC devises academic calendar at the beginning of every academic year as per the directives of Higher Education. The IQAC is instrumental in bringing positive change in the administrative and academic functions of the college. The quality of an institution is ascertained based on the academic excellence of the students, teachers and the administrative functioning of an institution as a whole. Here IQAC plays a vital role in quality enhancement by promoting research culture in the campus, need based sessions for the faculty, technical staff and students. Following activities were performed during the session 2022-23
