Inaugural session was conducted by Dr. Shikha Mandloi, Asst. Prof. Dept of Microbiology.

THE TECHNICAL SESSIONS ON VARIOUS THEMES BEGAN WITH THE FOLLOWING EMINENT SPEAKERS:

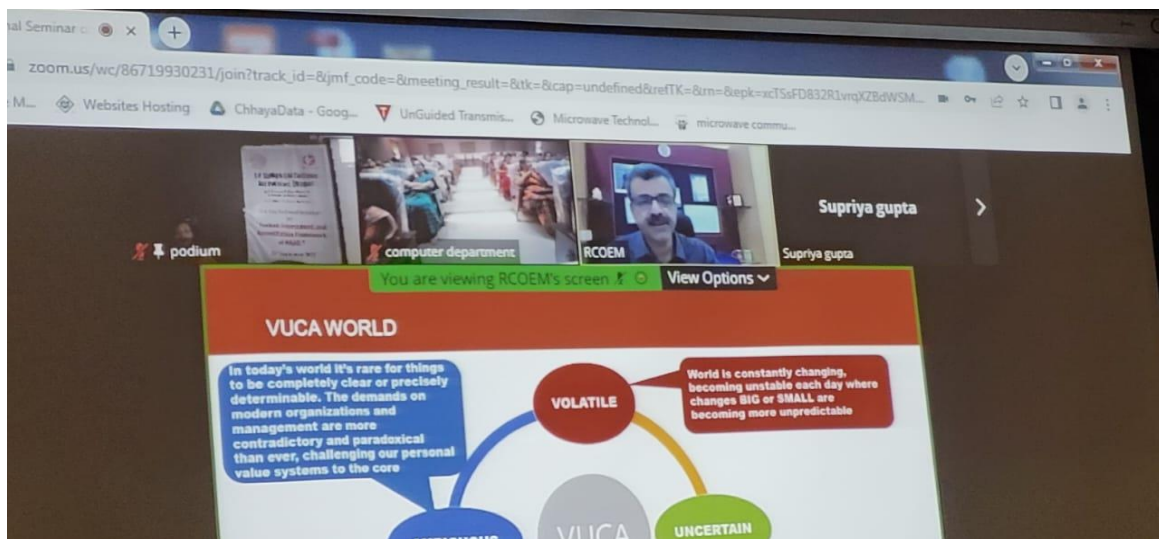

The seminar had three technical sessions that dealt with the objectives of the theme of the seminar.

TECHNICAL SESSION 1: Importance of NAAC Assessment & Accreditation with reference to the revised Framework.

Keynote Speaker :- Dr. Rajesh Pandey

In the first technical session the keynote speaker Dr. Rajesh Pandey, Principal Ramdeobaba College of Engineering & Management, Nagpur, joined the seminar online, highlighted the importance of NAAC Assessment & Accreditation with reference to the revised Framework. His address focused on the need of outcome based learning, wise use of ICT in education that facilitates dynamic and robust education system. The session was very insightful.

This session was conducted by Dr. Varsha Saxena , Asst. Prof. Chemistry.

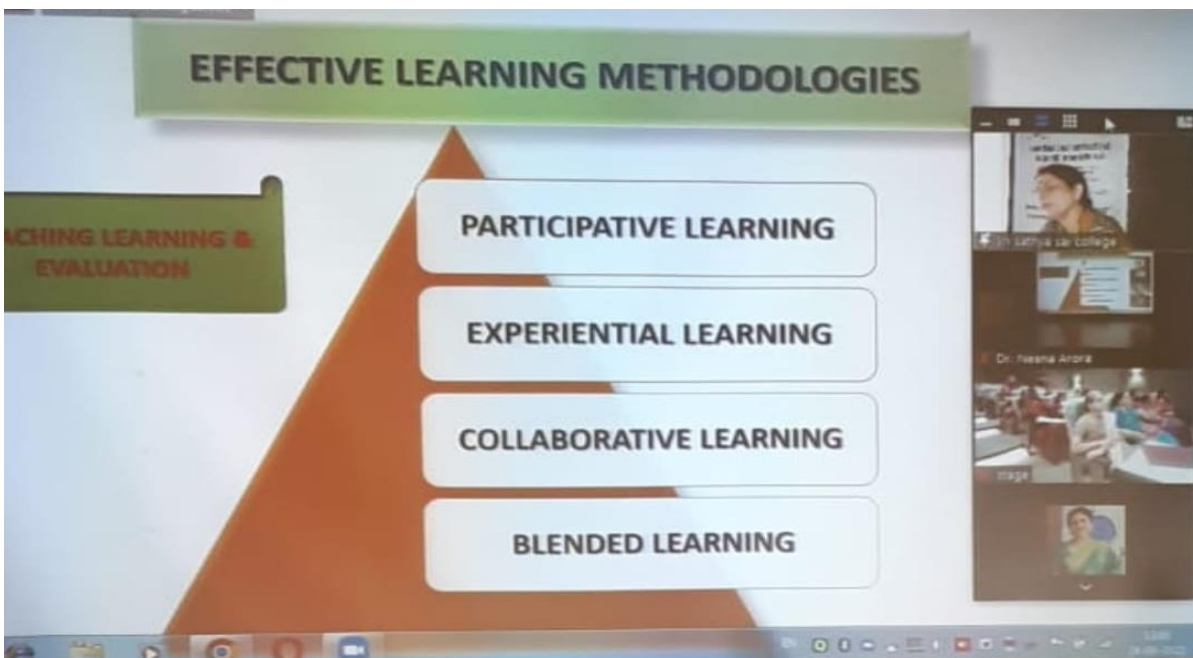

TECHNICAL SESSION 2:

Resource Person :-1. Dr. Usha Nair - NAAC & Its Objectives

2. Dr. H.K.Garg - Teaching, Learning & Evaluation

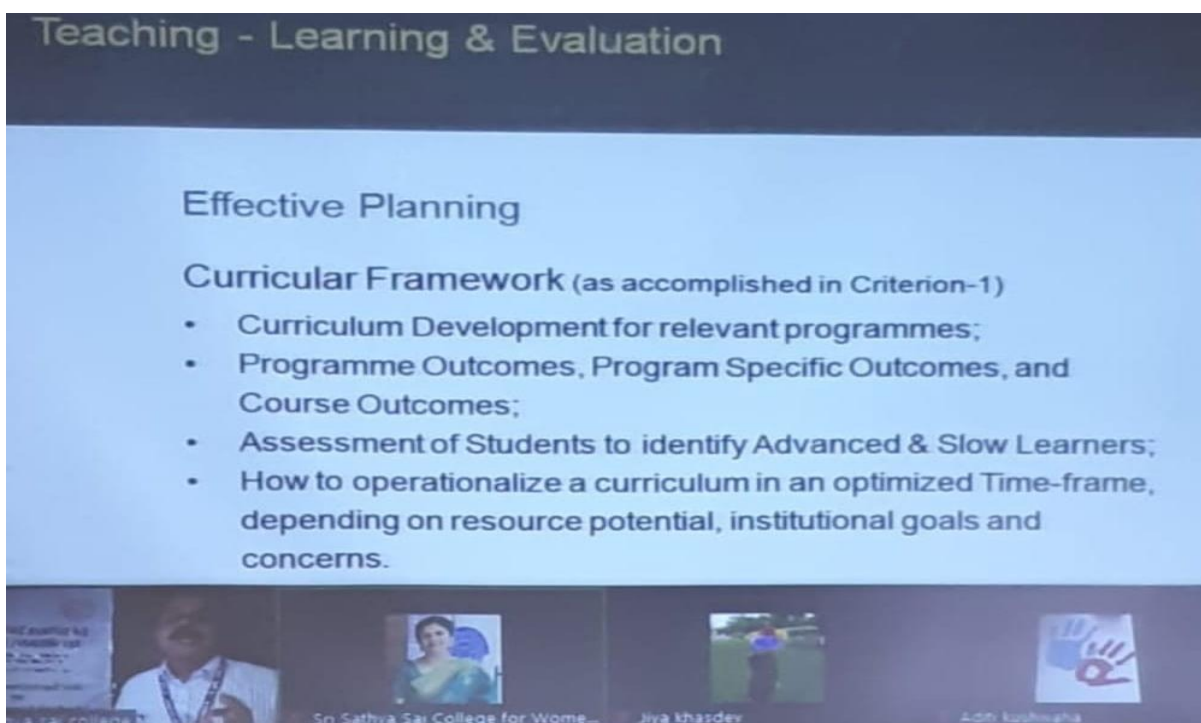

Resource Person - Dr. Usha Nair

Dr. Usha Nair, OSD, World Bank Project , Dept of Higher Education , Govt. of MP, oriented the participants with NAAC & Its Objectives. Dr. Usha Nair, in her address highlighted that the periodic assessment and accreditation of higher education institutions stimulate the academic environment for the promotion of the quality of teaching-learning and research. She also emphasized that assessment encourages self-evaluation, accountability, autonomy and innovations in higher education. It also creates a mutual learning environment in the institution.

Resource Person - Dr. H.K.Garg

Another resource person was Dr. H.K.Garg, Professor of Zoology, Institute for Excellence in Higher Education, Bhopal, presented his insightful deliberation on **Quality Enhancement in Teaching, Learning & Evaluation**. In his address he underlined that Teaching - learning pedagogy should be flexible enough with the needs of the learner in order to achieve the desired quality goals. He pointed that emphasis should be given on the learner centric methodologies depending on the subject & potential of the learners. Dr. Smita Nair Assistant Professor Maths conducted the session.

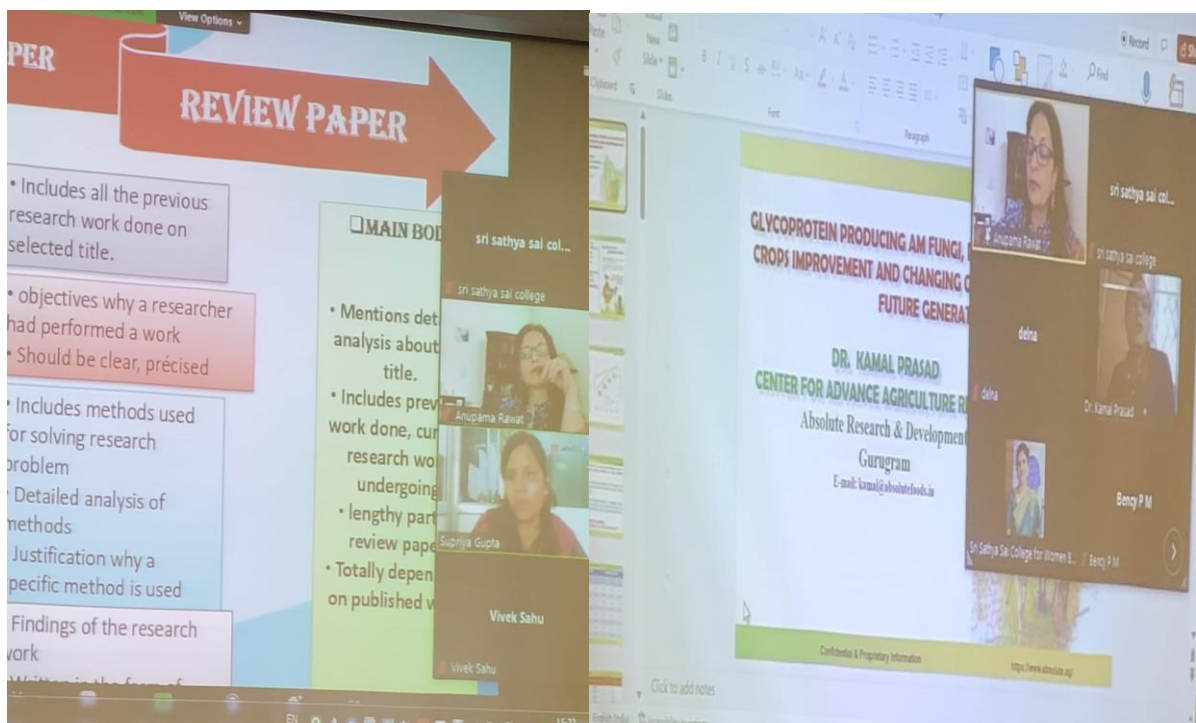

TECHNICAL SESSION 3: PAPER PRESENTATION

In this session papers were presented by faculty members & research scholars. 12 papers were presented on various sub themes of the seminar. The session was chaired by Dr. Anupama Rawat, Professor of Economics, Govt. SNGPG College, Bhopal.

Chairperson:- Dr. Anupama Rawat

PAPER PRESENTATIONS

We received 25 full length papers & 35 abstracts for the seminar & theme based papers will be published in Biannual Multidisciplinary Journal Highbrow, publishing from Sri Sathya Sai College, as special issue. This session was conducted by Dr. Harsha Chaturvedi, Asst. Prof. Political Science.

VALEDICTORY SESSION

Dr. Neena Arora Co-convenor, IQAC presented a comprehensive report related to the various sessions of the seminar. As we know that Modern education systems globally are being redesigned with more emphasis multi-disciplinary perspectives. Inquiry, critical thinking and problem-solving, oriented towards the greater good of the individual and the collective is the

need of hour. Value added learning with more scope for employability & higher-order cognitive capacities, has also been emphasized in NEP 2020.

The purpose of education in NEP 2020 is to empower learners to strive towards their own well-being & the society as well. The objective is to develop a healthy ecosystem of learning contributing in the development of the society, nation & humanity as a whole.

The very objective of the seminar is not only to orient the mass with a revised framework of assessment and accreditation but also to highlight how this revised framework facilitates quality teaching & learning in a smooth way in Higher education institutions.

We can conclude by saying that the focus should be on holistic development of students by curriculum enrichment, to increase employability, entrepreneurship and skill development. This will facilitate recommendations of NEP 2020 in its right spirit by providing high-quality higher education, hence achieving the goal of AtmaNirbhar Bharat on the occasion of Azadi KaAmritMahotsav. Value - added courses can play a vital role in achieving the objective.

We should work on the honest feedback of the stakeholders so as to improve the quality of Higher education institutions. Our honest endeavors in this direction will definitely help in achieving the ultimate objectives of the quality enhancement in Higher education institutions.

Dr. Neena Arora announced 4 best paper presentation and collected feedback from the participants online.

Dr. Megha Singh, member organizing committee and Assistant Professor Department of English, proposed the formal vote of thanks of the whole session. The session ended with the National Anthem.
